

## World Introduction

---

### Concept Type

**World:** Azrearda: The Dragon's Dream

**Type of World:** Imaginary World

**Genre:** High Fantasy

### High Concept

The inhabitants of the eldritch world of Azrearda know they exist within the dreams of the dragon of the same name. For eons, Azrearda has been asleep, as all of history has existed in it. All humans in Azrearda are born with the primal fear of waking him and ending the dream and as such, are mute by the choice of
